

I am writing to save K-LOVE radio. I listen to K-LOVE everyday and am encouraged by it daily, it has made me a better Mom, wife, Daughter, and Christian woman. I am much calmer, happier, and mainstream music has little or no meaning to me anymore. The community of Corpus Christi would be greatly affected if K-LOVE were lost. I see bumper stickers with K-LOVE everyday, I hear people talking about the music and the impact it has on their lives...I even hear it playing at my local post office when I go to pick up my mail...what an encouragement! The service provided by K-LOVE is in the public interest because it gives us an alternative to all the negative music we hear on a continual basis that has become "normal" to so many. K-LOVE's music puts the focus back on God; where it should be! K-LOVE has been such a blessing to me and my family, and I would be lost without it..please don't take K-LOVE off the air! Thank you.
